

New Acland Coal

Community Investment Fund

Frequently Asked Questions

Q. Our organisation is not located within the Toowoomba Regional Council Local Government Area(LGA). Can we still apply for funding?

A. No. The New Acland Coal Community Investment Fund is designed to benefit communities closest to the New Acland Coal Mine. Therefore, applications for funding must directly benefit communities within the Toowoomba Region LGA.

Q. How much money can my organisation apply for?

A. The Fund supports not-for-profit community groups and organisations with grants of \$5,000 or more. In addition, you may source additional funds for your project elsewhere and provide details of these contributions in your NAC application.

Q. Can we apply more than once in a funding round?

A. Yes, organisations can submit applications for different activity/events/projects in any funding round. This includes sponsor organisations who can submit on their own behalf and on behalf of other organisations who may need support with their applications. However, only one submission is allowed for each activity/event/project.

Q. Our event/activity/project will be ongoing and we will need to apply for additional funds from the New Acland Coal Community Investment Fund to continue the project. Can we apply for funds for the same event/activity/project in future funding rounds?

A. No. The New Acland Community Investment Fund provides one-off funding.

Q. What items do I need to provide a quote for?

A. Applicants must provide at least two quotes for good and services over \$1,000. Quotes should be on supplier letterhead and include the supplier's ABN and GST inclusive amount. Where possible, please supply a quote from a local supplier.
