<sup>1</sup> Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>2</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

<sup>3</sup> Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

## CORPORATE GOVERNANCE STATEMENT

This Corporate Governance Statement has been summarised into sections in line with the eight core corporate governance principles as specified in the Australian Securities Exchange (ASX) Corporate Governance Council's 3<sup>rd</sup> Edition of the Corporate Governance Principles and Recommendations. This statement was approved by the Board of New Hope Corporation Limited on 18 September 2017.

### 1. Lay solid foundations for management and oversight

- 1.1 The primary objective of the New Hope Board is to provide strategic guidance and oversight of management. The Board is ultimately responsible for, and has authority over, management of New Hope and its controlled entities. The Board has delegated to the Managing Director the authority over the day to day management of the Company, its subsidiaries and their respective operations.

The Board Charter, which is accessible via our website at [www.newhopegroup.com.au/content/investors/corporate-governance](http://www.newhopegroup.com.au/content/investors/corporate-governance), details the powers specifically reserved for the Board and authority that is delegated to the Managing Director.

- 1.2 Prior to appointment to the New Hope Board, appropriate checks on experience and background are completed either in-house or via the use of external consultants. Barlow, is not considered an independent Director, however he brings experience and knowledge to the position and will act in the best interests of the Company. Mr W.H Grant
