

ASX RELEASE

New Acland Stage 3 update

5 June 2020

New Hope Corporation Limited (**ASX: NHC**) advises that earlier today the High Court of Australia has granted Oakey Coal Action Alliance Inc (**OCAA**) special leave to appeal the orders of the Queensland Court of Appeal which were made on 1 November 2019.

OCAA sought special leave to appeal the orders of the Queensland Court of Appeal but are not challenging the Court of Appeal's findings on the substantive issues.

OCAA are not challenging findings on groundwater or any other environmental issue that is relevant to any decision being made by Government. Accordingly, the Company is asking the Queensland State Government to immediately approve New Acland Stage 3.

At this stage, a date for the hearing of the High Court Appeal has not been set down.

The Company will provide a further update in due course.
